In the article titled “Mesoscale and Local Scale Evaluations of Quantitative Precipitation Estimates by Weather Radar Products during a Heavy Rainfall Event” [1], the following Acknowledgements section was missing:

“The authors thank the BIVB for its technical and financial support. This research is part of the program “Vigne et Vin: la construction de la qualité” (PARI 2015) which has been cofinanced by the European Union within the framework of the program FEDER-FSE Bourgogne 2014–2020.”
